WHERE TO GO FOR YOUR **BLOOD TESTS** AND **ULTRASOUNDS**

There are three main local health centres where **blood tests** and **ultrasounds** are performed: *St John's Hill Therapy Centre, St George's Hospital* and the *Balham Health Centre*.

Details of those three locations can be found overleaf.

General Information

For a **fasting** blood test, you will need to attend your test in the morning *having had nothing to eat or drink since midnight the night before*.

You may have a drink of water on the morning of the blood test, but nothing else.
